SS4A Program Overview

Welcome to the Safe Streets and Roads for All (SS4A)

How was SS4A established?	The Infrastructure Investment and Jobs Act (IIJA) (Public Law 117-58) established the SS4A competitive grant program, with $5 billion in appropriated funds over five years, FY2022- FY2026.
What is SS4A's purpose?	The SS4A program funds regional, local, and Tribal initiatives through grants to prevent roadway deaths and serious injuries.
How much funding has been spent?	Combining the FY22, FY23, FY24, and FY25 SS4A has provided $3.9 billion in Federal funding to more than 2,000 communities in all 50 States and Puerto Rico. Almost $1 billion is available for future funding rounds.

SS4A By the Numbers

*As of December 2025

SS4A By the Numbers

Awards will improve roadway safety planning for around **75** percent of the nation's population.

About **half** of communities awarded are new direct Federal funding recipients to USDOT.

44 percent of communities receiving funding have populations under 50,000.

What Support is Available?

SS4A Clearinghouse	Primary SS4A POC	SS4A Community of Practice	SS4A One-on-One Coaching

There are a few ways SS4A grant recipients can get support for their roadway safety project…

What Support is Available?

SS4A Clearinghouse | **Primary SS4A POC** | **SS4A Community of Practice** | **SS4A One-on-One Coaching**

Description

The Clearinghouse is a publicly available website: **www.SS4AClearinghouse.org**

It includes several resources, such as the Grant Recipient Roadmap, Frequently Asked Questions, a searchable Resource Library, and more.

When to use it

At any time! The Clearinghouse is available 24/7 to provide resources and answer questions.

SS4A grant recipients can browse it as needed (e.g., after they receive their award announcement but before they have been assigned a POC)

What Support is Available?

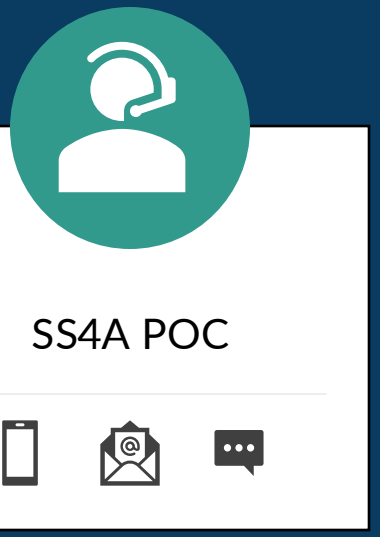

SS4A Clearinghouse	**Primary SS4A POC**	SS4A Community of Practice	SS4A One-on-One Coaching

Description

The SS4A POC will serve as a "go-to" for help with developing a grant agreement, facilitating project implementation, and answering any grant administration questions.

When to engage

The SS4A POC will connect with their respective SS4A grant recipients as soon as practicable after the award is made. They will be a resource for you throughout the life of the grant.

What Support is Available?

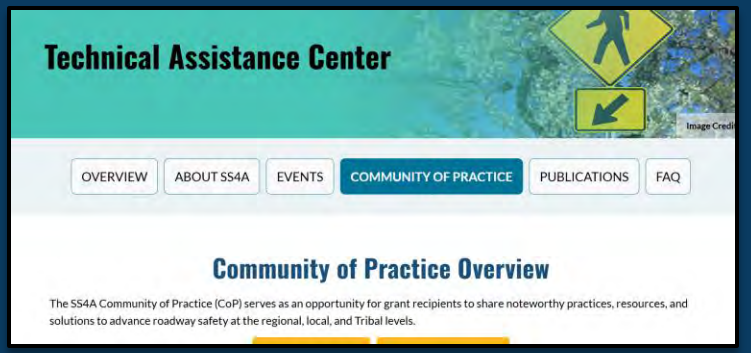

SS4A Clearinghouse | Primary SS4A POC | **SS4A Community of Practice** | SS4A One-on-One Coaching

Description

The SS4A Community of Practice (CoP) was established to help facilitate the exchange of insights and experiences and empower SS4A grant recipients as they develop their Action Plans and carry out roadway safety projects and strategies.

When to use it

The CoP hosts webinars and peer exchange meetings throughout the calendar year.

We want to help you!

SS4A Clearinghouse | Primary SS4A POC | SS4A Community of Practice | **SS4A One-on-One Coaching**

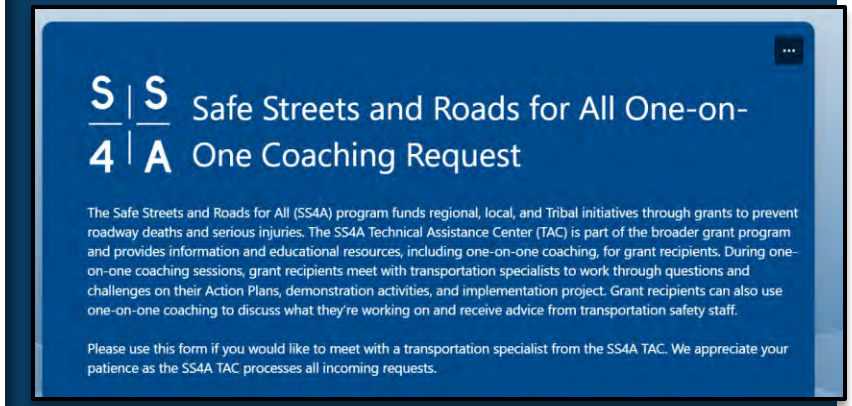

Description

For additional technical support, SS4A grant recipients can request one-on-one coaching via our SS4A intake form.

Coaching session topics can include how to analyze safety data, host public engagement activities, select and prioritize projects, and other key issues.

When to use it

Technical Assistance Center staff are here to help, so please complete the form and a staff member will reach out to coordinate a meeting time that works best.
